

KEYNOTE SPEAKER: David Sewell McCann, Sparkle Stories Storyteller
100 years of Waldorf

David Sewell McCann will discuss how "Master Stories" are narratives of identity - both for individuals and institutions. He will not only speak about the Master Story of Waldorf Education and how the story has changed over the past 100 years, but relate that story to the master story of WISE, of Canada, of Edmonton and each of the attendees. Storytelling is at the heart of Waldorf Education in the classroom, but it is also at the heart of parent meetings, board meetings, PR campaigns and parking lot conversations. Wherever we make meaning, you will find storytelling. "The Golden Thread" is introduced as a navigator through the twists and turns of master stories. The constantly changing dynamic world in which we live requires us to pay attention.
