

Emily Superkoski Nursery & Parent/Child Teacher

Miss Emily has worked in Early childhood Education for over 20 years. She was first introduced to Waldorf education when her daughter started kindergarten at the WISE 10 years ago. Since then, her passion for working with young children and learning about child development through a Waldorf lens has led her to workshops and training sessions in Calgary, Vancouver and Sacramento. She has most recently graduated from the Early Childhood Education program at the West Coast Institute of Anthroposophical Studies. Emily also holds a Bachelor of Arts degree in Conflict Resolution Studies from the University of Winnipeg. Emily taught at the WISE school for 7 years before moving to create a Waldorf preschool/childcare program in Winnipeg, Manitoba. Emily is thrilled to be back at the WISE to teach Parent and Child classes as well as Wondergarden. Emily and her partner Sean have three children who all attend the WISE. When Emily is not at school she enjoys hiking, crafting and being with family and friends.
