Please describe any known medical condition of the child, including allergies, food intolerances and any other health details along with needed medications.

Food Intolerance: refers to a physical response to a food or food additive that is not an allergic reaction. It differs from a food allergy in that it does not involve the immune system and it is much more common. Food Intolerances are often mistaken as food allergies. Some common food intolerances include food additives like MSG and sulfites; lactose; gluten; food borne illness; histamine toxicity. Food intolerances do not usually cause as severe a reaction as food allergies, but they can cause nausea, vomiting, painful cramping, and diarrhea. (Reference: WISE Allergy Safe & Anaphylaxis Policy)

Please specify (if any):

Junior High Application: 2023 - 24

MEDICAL INFORMATION ~ cont'd

Food Allergy: A food allergy happens when your immune system overreacts to certain foods. In most cases, the reaction is mild, causing symptoms like a rash, a stuffy nose, or an upset stomach. An allergy in this category is not life-threatening.

Please specify (if any):

Severe Allergy: A serious food allergy can make your tongue or throat swell and make it hard to breathe. Quick treatment can stop a dangerous reaction. Severe allergens require an epi-pen or another medical intervention if exposed. Anaphylaxis: Sometimes called “allergic shock” or “generalized allergic reaction” - is a severe allergic reaction that can lead to rapid death if untreated. Like less severe allergic reactions, anaphylaxis occurs when the body’s immune system reacts to harmless substances as though they were invaders. Anaphylaxis causes an extreme body reaction.

Please Specify (if any):

This is potentially life threatening and we will need a parent to come to the school office no later than the package deadline to fill in specific forms regarding such an allergy and bring along two 4 X 6 head shots of your child. Your registration package will NOT be complete and enrolment not solidified until these forms are completed.

* New Registrants: Once your child has been accepted into one of the WISE programs, further documentation will be required for severe allergy and anaphylaxis. The registrar will contact families upon acceptance.

Other medical conditions & medications (please specify):

GIFT-GIVING

YOUR DREAM CASTLE

The new school building - our future castle - is a crucial component to help meet the whole child with reverence.

Our dream for a new castle is one full of natural light, creating homely warmth for our Early Years students with access to the beauty of nature. In addition, we will add junior high classrooms to replace the portables and create a space nurturing independence and growth for our maturing students.

In 2019, our community purchased the land our school sits on. It wasn't easy; it took vision, money and dedication, and we succeeded. Then we secured the funds for the new playground and outdoor classrooms.

Now we invite you into the next phase of this spectacular journey towards *learning to change the world.*

OUR JOURNEY

To fulfil this quest your help is needed. Will you join this merry band of travellers on the road to build a new castle?

The next phase of this project is projected to cost around \$3.5M.

Raising \$24,000 in monthly donations will secure and contribute to the new mortgage needed to hire architects, plan together and build our new school.

OUR PATH

Our path will be paved by:

200 members of Court, telling the tale (\$10/month = \$2,000/month)
100 seamstresses, weaving the gold (\$20/month = \$2,000/month)
40 minstrels, sounding the trumpets (\$50/month = \$2,000/month)
40 archers, hitting the target (\$75/month = \$3,000/month)
40 bakers, kneading the dough (\$100/month = \$4,000/month)
20 knights, leading the charge (\$200/month = \$4,000/month)
10 alchemists, creating the magic (\$500/month = \$5,000/month)
2 royals, overseeing the realm (\$1,000/month = \$2,000/month)
Total: 452 monthly donors = \$24,000/month
