

Rianne Johns

Class Six Teacher

Rianne Johns is a dedicated educator with a deep commitment to student engagement, a genuine love for teaching, and a desire to meet the unique needs of students.

Rianne Johns graduated from the University of Alberta with a BEd in Elementary education in 2021. Rianne has gained valuable experience working in diverse educational settings. She spent time co-teaching in a Grade 5 class, where she excelled in creating an engaging and supportive learning environment. Rianne has also worked in literacy and numeracy initiatives and served as an on-call teacher for Kindergarten to Grade 9 students. Rianne fosters a love for learning while supporting each student's growth and learning needs.

Rianne's affinity for implementing cross-curricular experiential learning alongside a teaching philosophy that promotes holistic student personal growth led her to Waldorf Education. She looks forward to the opportunity to contribute to WISE with her passion for education and student engagement and commitment to creating an enriching learning environment. In the summer of 2023 she spent time with master Calgary Waldorf teacher, Laureen Loree, as well as gaining from pedagogical mentorship that she is receiving at the WISE. Rianne enjoys hiking, climbing, skiing, camping, and kayaking. She expresses her creativity through various art forms. Additionally, Rianne treasures time with her friends and family, as they hold a special place in her heart. Rianne is excited to join the WISE, and is looking forward to connecting with the students and diving into the rich Waldorf curriculum that meets the Grade 6 student in deep and meaningful ways.
