

Daniela Tischler

German Teacher

Daniela Tischler is the German teacher and class assistant at the WISE. She has been involved with children since she was 15 years old. In Austria, she worked as a teacher for 11 years including with deaf and hearing impaired children.

In Alberta, she has been employed as a teacher's aide since 2005. Daniela has been with the WISE since 2010. She appreciates working with children and supporting teachers in the Waldorf community.

Daniela enjoys the openness and creativity of children and is sensitive to the needs of teachers and children and responds as required. Daniela is very happy to be able to bring her experience to the WISE and enjoys learning and growing with the teachers and students.
